

META
CRUSH

CRUSH LIVE APP

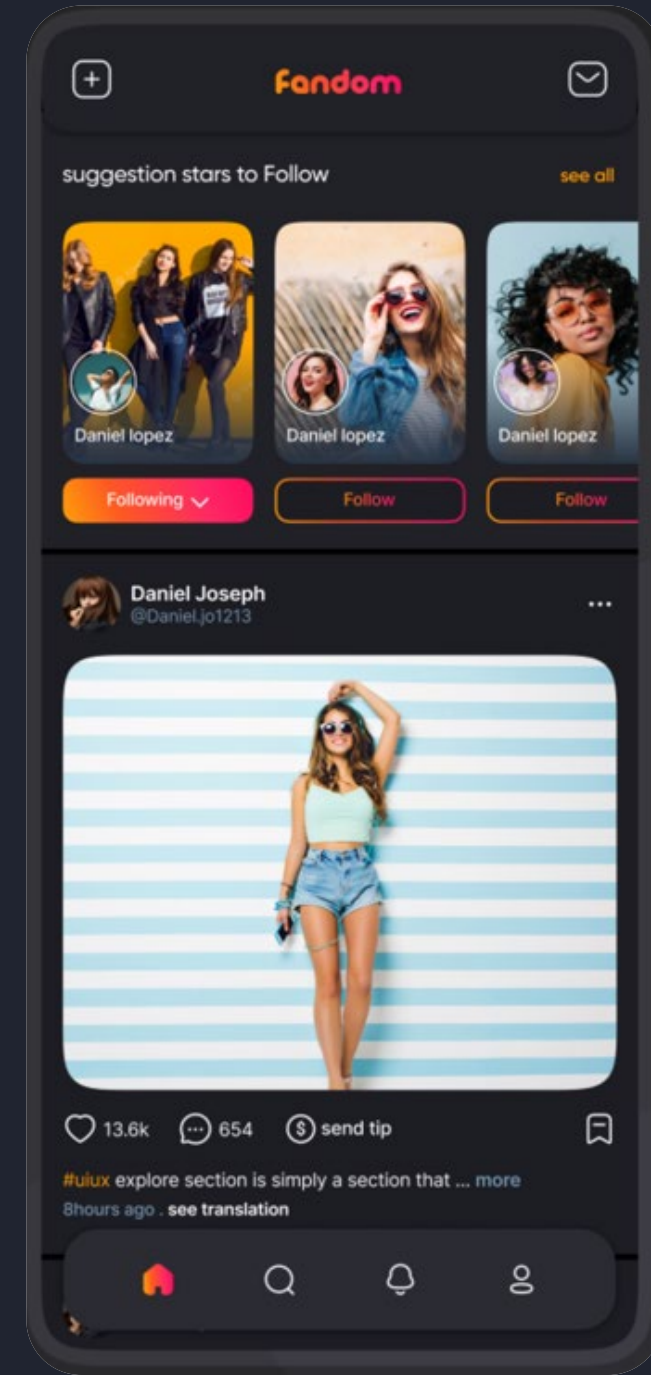

Made for creators, influencers, and anyone that wants to monetize their content all in one place instead of being on multiple platforms utilizing the CRUSH token. Creators will also be able to stake their tokens and earn rewards!

Multiple Income Streams

Creators will be able to monetize their public profile by posting videos and pictures daily and earn CRUSH tokens from tips/flowers/diamonds from each post. Creator will also have a merch store where they can sell merchandise.

Transfer CRUSH tokens between users

CRUSH Live app will have a built in token wallet where users can send and receive tokens and exchange tokens for gifts or other coins.

FEATURES

MetaCrush was designed based on input from content creators and influencers
